

WEIHNACHTSKALENDER AUS SCHWEDEN

Egal ob Groß oder Klein...der Weihnachtskalender ist jedes Jahr eine wunderschöne Vorfreude auf das bevorstehende Weihnachtsfest. In diesem Jahr hatte die Klasse 4a einen ganz besonderen Adventskalender

- einen Online- Weihnachtskalender von ihrer Briefpartnerklasse aus Asbro.

Auch wir gestalteten einen Onlinekalender für die Schweden mit vielen Informationen über Thüringen, unser Schulleben, Musik, Sport uvm.

Unser Kalender ist online leider nicht mehr einsehbar. Hier seht ihr ein paar unserer Kalendertürchen:

Erfurt is our state capital. It is a big town with a wonderful and big church called "Erfurter Dom".

We are the oldest pupils in our school. So we have the task to look after the pupils from class 1. Each of us has got a friend in class 1. We are playing together and we are helping them.

On our homepage you can find a video with a tour around our school. You can have a look into several classrooms or playing areas.

In class 4 we had a bike training with a policewoman. We learned a lot about traffic and we did a test. Each of us got the driver license for biking.

A few weeks ago we had a very nice project. We built a solar bike. We also were architects. We created a house with the computer. This was so fun. We learned how a 3D printer works. We got nice presents.

One of the famous composers in our area is Johann Sebastian Bach. He was born 1685 and died in the year 1750. He played baroque music. In Dornheim, where Emilia lives, there is a church calling "Bachkirche".
